Certified Copy of Priority Document

The previous Office action of October 2, 2003 (at page 1, box 13) indicated that a certified copy of the priority document had not been received by the PTO.

As noted in applicant's reply to that Office action, a certified copy of the priority document was filed with the application on July 2, 2001. During a telephone conference with the Examiner on November 4, 2003, the Examiner confirmed that the certified copy was in the PTO's file.

Applicant respectfully requests that the Examiner acknowledge in writing that the PTO has received the certified copy of the priority document so that the written record will be clear.
